## WELCOME TO THIS MONTH'S NEWSLETTER:

Hi everyone. Here it is the middle of May and the plans for the June, year-end social are in the works. Dave Rawson is coordinating things, and wants to know who's going to be attending as of today, because we need to purchase the proper amount of groceries.

On another subject; July 1<sup>st</sup>, "Art In The Park" on Canada Day; we have a mini-lathe and artists, we also have the toy makers in attendance. If you can afford the time to volunteer at the venue in the park, please let Carl Ottosen know fairly quickly as he needs to know what manpower he has. Its lots of fun and you see lots of friends and neighbours during the day.

Enjoy this month's newsletter.  
Steve.

## TREASURER'S REPORT CONFUSION ISSUE:

At last month's General Meeting there was some confusion generated by the presentation of the Treasurer's Report; we have three standing annual commitments and we shouldn't include them in the report until they are paid out of the account. This inclusion, last meeting, caused the confusion. It was cleared up at the May General Meeting.

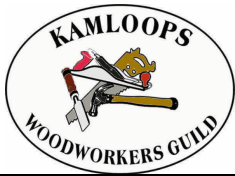

## TABLED MOTION RE-ACTIVATED:

A Motion from last meeting was tabled and referred to executive for discussion.

Motion was;

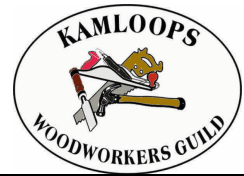

**M/S/T** "That our membership dues be increased from the present \$15.00 per year to \$25.00 for the 2008/2009 season".

Tabled with the suggestion that the Executive discussed this motion; after much discussion at an Executive Meeting, we suggest dues be increased to \$20.00 per year.

Children and Grand Children are welcome.

## **FORMATION OF DEMO COMMITTEE:**

We want to form a 3 person committee to look after the arranging meeting demos – any volunteers? If no volunteers then we won't have any more demos at our meetings, is that what everyone wants? Give it some thought for next month's meeting.

Rick Perszon and Bill Gowans volunteered for this committee; anyone else interested?

## **NEW BUSINESS:**

The Tool Place will once again be holding their Woodworking Sale on September 20<sup>th</sup>, and have asked again if our Guild Members can help with the demos.

Doug has asked for turners, and would like someone to do something with Pocket Hole Screws and the Delta Sharpening system.

Contact Carl Ottosen to help out at: [cjlottosen@telus.net](mailto:cjlottosen@telus.net) or phone - 372-7751.
