WELCOME TO THIS MONTH'S NEWSLETTER:

Hello gang. As you know, and will be reminded through this newsletter, we are going to have nominations and elections of Executive during May and June's meetings.... Please consider letting your name stand, as the whole existence of the Guild depends on its members.

There are only four (4) more meetings before our summer break... So please consider standing for your Executive.

Now, on with the newsletter....

Steve.

CALL TO ORDER: Sandi Trueman

- Sandi called the meeting to order at 1900.

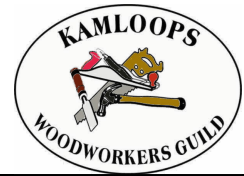

ANNOUNCEMENTS/REQUESTS/ETC:

- **Carving Club** member donated some wood, and I have it out at my house. One piece is a 8" x 5' piece of Juniper wood, and a few smaller branches... Contact Sandi to pick-up. (778-472-2008) or email at < sgtrueman@shaw.ca >.
- **Cremation Urn:** We had a request by email, if we had members who made and sold Cremation Urns. I answered her back, but no response at meeting time, so if you are interested let me know your names and I'll pass it along to her so you can handle this request. (Same contact as above.)

- We have received quite a few requests for free wood. If you go to Kijiji, there is lots – Gerico Plywood on Athabasca – Truss manufacturer at Industrial park, etc. Others?
- Revisit our invitation to **Meet-A-Machine**; snowed in, didn't make the meeting, but it is going to be held in April, and we should plan for toymakers, wood lathes, and scroll saws there for a demo day for the kids.
- **Executive positions**; We need to start thinking of who is willing to run in our upcoming elections in May & June.... Sandi and Tag have indicated that they will not be standing for re-election. Do you want to be part of the Executive? Let your name stand in the coming months....
- **Beth-Marie**: now is the owner of two (2) wood planes.... Now she needs someone to come forward to show her how to use them... Volunteers? Phone her at: 250-573-4777.

That we spend not more than \$600.00 on the purchase of the patches for the membership

- **Sandi Trueman**: was highlighted by a member for her efforts in making handicapped furniture for infants and toddlers, and they are now being upholstered and put into use. Well done Sandi...
- **ReStore Tools For Sale**: Jerry Gauthier went up and looked at the tools and reported that they were way over-priced for the quality of the tools. ie \$400.00 for a used 6" planer and you can purchase a new one, with warranty, etc., for \$425.00....

Turning Request:

From: [Sascha Porteous](#)
Date: 2/9/2016 6:02:23 PM
To: [Sandi Trueman](#)
Subject: Walnut Dowel

Hello Sandi,

I'm wondering if you may be able to put me in touch with a turner that would have time to turn a one and a half inch walnut dowel for me, roughly 20 inches in length. I will supply the walnut. Happy to pay, or work something out. I'm not in a huge rush, but sooner would be better than later. My schedule is pretty flexible right.

I can be reached at 778-220-3731 or email also works < saschaporteous@gmail.com >.

Thanks

Sascha Porteous
