### **WELCOME TO THIS MONTH'S NEWSLETTER:**

Hi All. Here it is, the time of the year to start considering standing for a position on the Executive Board... We need members who will stand for President, all the way down to director-at-large, five (5) are needed. So, consider standing for a post, if you haven't already, and we'll keep this Guild flowing along like it should. First nominations begin in May, and election will be at June's meeting.

Looks like spring has sprung, and the weather is getting warmer, we will soon be sweating it out in our shops, doing all the things we couldn't get done during the cold months...

Now, on with the Newsletter.  
Steve.
