WELCOME TO THIS MONTH'S NEWSLETTER:

Sadly we were informed of the passing of long-time member, Bill Brock... I'm sure he will be sorely missed by his family and friends.

Here we are at February, and looking forward to April, when we participate in Meet-A-Machine at the KIB Pow Wow Arbour. We have held two work bees, and one more is scheduled for March, and we've built-up quite an inventory of things to sell at our table, and tops, etc., to give to the kids who are interested. We always have a positive experience there...

I want to thank Les for his use of his shop, and his wife, Cathy, for the excellent supply of lunches she prepares for us... All great.. Another thank you goes to all the members who showed up both times to help with the production of our items... Great teamwork experienced there... Photos in this issue of newsletter.

Thanks again to all... Steve.

CALL TO ORDER: Les Eliason

- Les called the meeting to order at 1900.

HEALTH & WELFARE:

- Francis S. still recovering from heart troubles, and his pacemaker is working great for him... He still has a few more visits to RIH to complete, haven't seen him in about 10 or more days.
- Judy has had her knee replaced on Jan 26th, and is doing as well as can be expected...
- A big thank you to Les and Cathy for their wonderful hospitality on Jan. 18th at our Work Bee... Great snacks, and super lunch, thanks a bunch gang...

TOOLS & WOOD:

- **Terry Shupe** has purchased a Lee Valley hole saw set and is in need of instruction on proper use of this item.
- United Floors has a pallet full of scrap flooring for someone to take away... All of it, not parts of it.

OLD BUSINESS:

- **Ten members, plus Les E.** attended the Jan. 18th Work Bee at Les' place on Dallas Drive. Les showed the group his video he made during the work shop excitement.
- **Many ideas** were knocked around as to where we could show ourselves off to the public, and the Kamloops Farmer's Market was one suggestion. More items to be made for sale at the Work Bees (more variety). Terry S. told us that he has a bunch of doll cradles ready to be assembled, and more wood cars/trucks are ready to assemble on Feb. 8th Work Bee.
- **Anne R.** told us of her daughter's neighbour, in Australia, who's a wood worker and he allowed her to work in his shop when she was there over Christmas. She also told us to purchase a full season of KamFarmMarket, as it would turn out to be a cheaper option for us. She also told us that there are going to be "extra" or "re-scheduled" farmer's markets up at Sun Peaks to try and catch the crowds off the tour busses that land up there each week.

NEW BUSINESS:

M/S/C – Agar, Gilmour

Moved that we reimburse Les & Cathy for their coffee & lunch expenses for the feed at the Work Bees on Jan. 18, and Feb. 8.

- Do we want to schedule a Work Bee in March? **Yes.** How about Sat. Mar. 14th? **OK...**

SHOW & TELL:

- **Les Eliason** – turned mushrooms of differing woods...

DEMO: Carl Ottosen – Bowl finishes
