WELCOME TO THIS MONTH'S NEWSLETTER:

Hi everyone. Here we are at the end of our abbreviated season of spring 2022, and it seems, from the attendance at the meetings there is still some interest in our Guild.

As reported by Dave. G., we are now in the middle of revamping our website to a more modern look, and have some of the newer pages ready to upload to the web....

Jim F. has graciously offered his place again, for our June 26th "End Of Season" BBQ and later in the Newsletter, I'll put in directions to his place up in Barnhartvale.

That's about it for here....

Steve

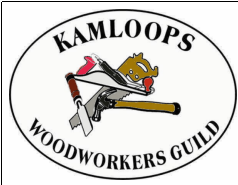

WOOD & TOOLS:

Dave G. told us of a man who was a long-ago member of the Guild, has an older Delta table saw he wants to donate to the Guild... *Owen has kindly turned down the offer of the saw.*

Lance Brown has cut down a maple tree... If anyone wants some, phone **250-828-1068** to order.

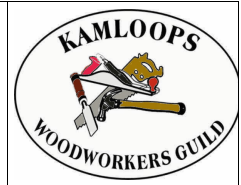

Judy S. has a customer who has a Saturn (NOVA) wood lathe for sale at \$1500.00. Brand new they are around \$3000.00... And this one could have a 1.75 Horse motor... Contact Judy at KMS Tools.

Gary Harker's Brother's stuff; Les went down to Princeton and collected 25 boxes of stuff from Gary's brother as he is experiencing dementia and can no longer do any woodwork. Les showed a small sample of some of the stuff he brought back and says there's a LOT more.

Dave A. – has two cordless items for sale with charger and extra batteries; B&D 20V 3/8” drill, and a B&D 22” Hedge Trimmer plus 2 chargers, and 3 20V batteries. \$100.00 obo.

HEALTH & WELFARE:

Denis’ wife has taken a bad tumble and has been very banged-up; concussion, broken orbital, many other injuries.

Scam email supposedly from Sandi Trueman... **Ignore** and **delete** if you ever get one of these.

As of this writing, I have heard that Jerry Gauthier is in the hospital... That’s about all I know at this time.

ART IN THE PARK:

We have told the Arts Council that we will pass this year and to apply our 2020 money to the 2023 AITP. Email sent to Arts Council.

It was asked if we could canvas the different wood/tool supply outlets to see if we could hold a sales table or demo day, or something along that line? As of this writing, Dave G. has contacted Brian at Windsor Plywood, and he is willing to let us have a demo & sales day at his location and suggested September would be the better month to have it. Plenty of time to plan it.

CLUB MANAGEMENT OUTFIT:

Warren J. told us of a management outfit that will, for a fee, manage all your memberships, collection of fees, keeping books in line, etc. and in his experience, he only has to pay a \$30.00 annual fee, and is now proposed to raise to \$40.00 this coming year.. His wife is also in this system in another group she belongs to and she claims she couldn’t survive without them...

It seems these are larger groups than we are with a very limited membership and we feel it wouldn’t be feasible to us to join such a system.

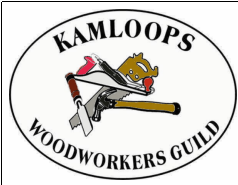

END OF SEASON BBQ:

Jim F. has graciously offered his place again for this year’s EOS BBQ on June 26th...

Address: 1782 Gardiner road. We are the first street to the left past the Barnhartvale Hall going east Down that street we are the last house on the right.

EXECUTIVE NOMINATIONS:

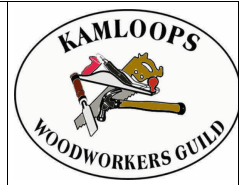

President: Les Eliason
Vice President: Donna Rouser
