WELCOME TO THIS MONTH’S NEWSLETTER: Hi All, here we are again at December and our meeting was a great one to attend as we did the annual bake sale of holiday goodies for all to participate in. We had a full table of goodies and everyone had a chance to select a baked item for them to enjoy later.

There will be mention of Work Bees, Meet-A-Machine, and a Demo Day at Windsor Plywood so we need to plan ahead and get ready to get out to the public again...

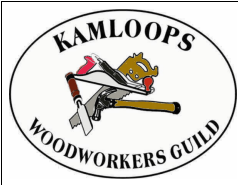

So sit back and enjoy this month’s newsletter.

CALL TO ORDER: Les E.

- Les called the meeting to order at 1910.

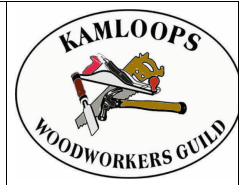

TOOLS & STUFF:

- Les reported that the table saw and planer were finally delivered... They went to a good home.
