Hi All: here it is, the last meeting of the year, and the BBQ to be held at Les' place on Dallas Dr. The year started a bit shaky as we were still mandated to wear masks, and we were meeting at the Hal Roger's Hall as the School District wouldn't rent to us under the pandemic guidelines.. Feb. we went forward to the school as we normally would have done in Sep. and we're finished this month. A "new" Executive have been acclaimed and installed ready for September's first meeting in the School. So, onward and forward we go....

## **WELCOME:**

Les welcomed everyone to the last meeting before summer break.

## **TOOLS & STUFF:**

Judy told us that KMS Tools have expanded into the Work Wear World space they occupied.

She also told us of her 10 year old scroll saw that she tore down and rebuild on her own. Looks & works like new now.

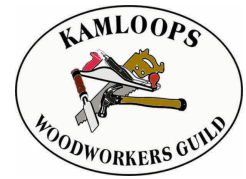

## **FINANCIALS:**

Dave gave a comprehensive report on the state of our financial picture to date.

## **ART IN THE PARK:**

Steve double checked with Arts Council to find out if we have power and a flat space for our tools and displays, etc.

Done. They assured me that there was power at three (3) stations in the park, and we would be assigned to one of them... Details came in an email and dispersed to members.

## **WINDSOR PLYWOOD DEMO DAY:**

On May 27<sup>th</sup>, we attended a Demo Day at Windsor Plywood, and the crowd was very sparse, but the folks who did show up and came over for a visit were very impressed with our display.

Now that Keith knows our footprint, he may place us in a better location to the front door next time.

## **NEXT DEMO DAY:**

We are ready to go for Oct. date at KMS Tools and we just need more publicity for this event. Dave has talked to the Kamloops This Week rep and she has given us the best discount she can for our non-profit status, and our involvement with Toys For Kids program.

If we advertise 4 weeks, starting in the fall for our Demo Day she will charge us \$200.00 for four (4) weeks of advertising our Guild activity.

## **M/S/C – Dave – Carl**

**That we spend the \$200.00 on advertising, over four weeks in KTW.**

### **1) EXECUTIVE POSITIONS:**

Steve has let it be known that he is stepping down next May, as Secretary/Web Master for the Guild. He will tutor anyone willing to take the position on minute taking, and web site maintenance. (Let him know early in September so he can schedule training sessions.)

### **2) YEAR-END BBQ:**

BBQ is to be held at Les' place, 5696 Dallas Drv, on Sunday, June 25<sup>th</sup>, 2023. Starting around 11:00am to whenever... Bring your own lawn chairs, etc.

**MEETING ADJOURNED AT 2010**

**NEXT MEETING SEPTEMBER 13, 2023**
