Hello everyone; Welcome to a new start to the next 10 months of Kamloops Wood Workers Guild. After a hot, dry, smoky summer, we've arrived at September and away we go. Year-End Barbeque was a great success as was the presence of us in Riverside Park on Art In The Park, on July 01st. Thanks to all of those who showed up and participated in both of these events of the Guild. Now on to the next year.
Steve
